Buyer's Guide

All items at the auction are sold as viewed. The buyer is therefore advised to carefully examine the condition of the lots before the auction. If Kaplans has made a serious error of judgment, stated any incorrect information, or a so-called hidden defect exists, this may constitute a basis for cancelling the purchase. Complaints must be made within 10 days after the auction.

Our hammer auctions are held at our premises at Biblioteksgatan 5 in Stockholm. You can bid online or bid in our auction room during these auctions. You may also submit absentee bids.

Absentee bids

You may submit absentee bids for any item via Customer Services or our website until the time an auction starts. You indicate your maximum bid, which is the maximum amount you are willing to pay for a given lot. Customer Service then automatically bid on your behalf for this amount.

Bid online

You can bid online during the auction. Simply log in with your customer number or registered email and password. You submit your bid by clicking on the "Place bid" button. Your bid is made immediately and in accordance with our bidding intervals. All bids made at our auctions are binding. Kaplans Auktioner cannot guarantee that all bids are received at auction.

Bidding in our auction hall

To bid in our auction hall during a hammer auction, you need an auction paddle that you obtain from Customer Services either prior to or during an auction. Your bid is binding until another bidder makes a higher bid. The buyer is the bidder who makes the last and highest bid when the auction hammer falls.

If two bidders make a bid of the same value, it is the auctioneer who determines which bid applies. The auctioneer also determines whether bidding should resume due to uncertainty surrounding the last bid.

Estimate prices are also quoted in Euro, where the exchange rate € 1 = SEK 10.91 is used in this catalogue. Amounts are rounded off up or down to the nearest ten. However, the final purchase price is set in Swedish kronor using the official exchange rate upon the day when the payment is made. All purchased lots shall be paid in Swedish kronor.

After the auction

Purchased lots must be picked up and paid for within 5 business days from the auction date. Kaplans accepts payment by credit card. Payment by credit card may be made online or at Customer Services desk. Payments by cash can not exceed SEK 20 000 due to general policy.

Bidding increments

Bidding starts at the lowest bid and then follow these increments.

Increments	Increase
SEK 500	SEK 25
SEK 500 – 1 000	SEK 50
SEK 1 000 – 10 000	SEK 100

SEK 300 000 – 1 000 000	SEK 10 000

Bids are accepted within the bidding increments, however the auctioneer may deviate from these intervals.

Buyer's premium

Kaplans Auktioner charges a buyer's premium of 20% on hammer prices up to SEK 1 000 000, VAT included. Value added tax is calculated only on Kaplans' sales commission and not on the hammer price. For each item purchased at auction we also charge a hammer fee of SEK 50 including VAT.

Buyer's premium levels

If the hammer price exceeds SEK 1 000 000, we use the following levels: Hammer price up to SEK 1 000 000: 20% premium.

Hammer price between SEK 1 000 000 and SEK 5 000 000:

10% premium. Hammer price above SEK 5 000 000:

5 % on the exceeding part.

Bidding example:

You have placed a winning bid of SEK 5 500 000 on an item.

Premium:

$1\,000\,000 * 20\% = \text{SEK } 200\,000$

$4\,000\,000 * 10\% = \text{SEK } 400\,000$

$500\,000 * 5\% = \text{SEK } 25\,000$

Total buyer's premium = SEK 625 000.

The hammer fee is SEK 50.

Total amount: SEK 6 125 050.

Droit de suite

Under Swedish law Droit de suite, or Artists' Resale Right means that an artist has the right to receive a part of the resale price of their work. The premium is 5% and is paid by the buyer on the condition that the price exceeds SEK 2 415. Items that are covered by Droit de suite is marked with the letter (d) at the end of the item descriptions.
