Lot 34

Welcome to Kaplans Important Jewellery!

It is our pleasure to introduce the catalogue for this autumn's Important Jewellery sale. We can proudly present an unique collection of this season's most outstanding jewellery and silver items.

First, we would like to highlight our fantastic selection from the Scandinavian designers. Contemporary pieces from names such as Wiwen Nilsson, Lapponia, Ole Lynggaard, Georg Jensen and Torun Bülow-Hübe. From Torun Bülow-Hübe there are two pieces in particular that stands out. Lot 34 is a rarely seen necklace in sterling silver designed in a creative shape with a rutile quartz. The second lot is 142, a potential collectable – a stunning bangle in sterling silver with a wristwatch integrated.

Amongst the designs from Georg Jensen, we would like to highlight Lot 1, an 18k gold ring designed by Hans Hansen. Lot 23, a simple yet edgy brooch in gold from the 1940s created by Henning Koppel. Lot 37, a pair of candelabras no. 1087, design by Søren Georg Jensen and Lot 47, a silver bowl, no. 17B by Johan Rohde.

Worth mentioning is also Ole Lynggaard who is well represented at this auction. Observe Lot 171, the much sought-after Elephant pendant in 18k white gold embellished with pavé set diamonds. For all those searching for that perfect diamond ring either for engagement or to fulfil your dreams the auction offers a wonderful selection of vintage diamond rings.

Discover Lot 5, a captivating solitaire ring in platina set with a 3.40 ct old brilliant cut diamond from Hugo Strömdahl. Lot 12 is another beautiful solitaire ring created by Atelier Ajour with a 3.04 ct brilliant cut diamond. Continuing on, beautiful diamond rings, we can recommend Lot 118, a stunning Art Deco ring in platinum set with both an old European and old single cut diamonds.

From the 19th century we can present Lot 11 and 81. Lot 11 is a delicate emerald ring in 14k gold and silver with rose cut diamonds. Lot 81 is a beautiful antique flower brooch in 14k gold and silver with old European- and rose cut diamonds.

The Important Jewellery sale also includes jewellery from iconic brands such as Cartier, Van Cleef & Arpels, Tiffany & Co., Chanel and Bvlgari.

The catalogue consists of 196 fascinating lots to be enchanted by. We hope you will find the selection as appealing and inspiring as we do. We welcome you all to this exciting auction here at Kaplans Saturday 26 November.

Buyer's Guide

All items at the auction are sold as viewed. The buyer is therefore advised to carefully examine the condition of the lots before the auction. If Kaplans has made a serious error of judgment, stated any incorrect information, or a so-called hidden defect exists, this may constitute a basis for cancelling the purchase. Complaints must be made within 10 days after the auction.

Our hammer auctions are held at our premises at Biblioteksgatan 5 in Stockholm. You can bid online or bid in our auction room during these auctions. You may also submit absentee bids.

Absentee bids

You may submit absentee bids for any item via Customer Services or our website until the time an auction starts. You indicate your maximum bid, which is the maximum amount you are willing to pay for a given lot. Customer Service then automatically bid on your behalf for this amount.

Bid online

You can bid online during the auction. Simply log in with your customer number or registered email and password. You submit your bid by clicking on the "Place bid" button. Your bid is made immediately and in accordance with our bidding intervals. All bids made at our auctions are binding. Kaplans Auktioner cannot guarantee that all bids are received at auction.

Bidding in our auction hall

To bid in our auction hall during a hammer auction, you need an auction paddle that you obtain from Customer Services either prior to or during an auction. Your bid is binding until another bidder makes a higher bid. The buyer is the bidder who makes the last and highest bid when the auction hammer falls.

If two bidders make a bid of the same value, it is the auctioneer who determines which bid applies. The auctioneer also determines whether bidding should resume due to uncertainty surrounding the last bid.

Estimate prices are also quoted in Euro, where the exchange rate € 1 = SEK 10.80 is used in this catalogue. Amounts are rounded off up or down to the nearest ten. However, the final purchase price is set in Swedish kronor using the official exchange rate upon the day when the payment is made. All purchased lots shall be paid in Swedish kronor.

After the auction

Purchased lots must be picked up and paid for within 5 business days from the auction date. Kaplans accepts payment by credit card. Payment by credit card may be made online or at Customer Services desk. Payments by cash can not exceed SEK 50 000 due to general policy.

Buyer's premium

Kaplans Auktioner charges a buyer's premium of 20% on hammer prices up to SEK 200 000, VAT included. Value added tax is calculated only on Kaplans' sales commission and not on the hammer price. For each item purchased at auction we also charge a hammer fee of SEK 50 including VAT.

Buyer's premium levels

If the hammer price exceeds SEK 200 000, we use the following levels: Hammer price up to SEK 200 000: 20 % premium.
 Hammer price between SEK 200 000 and SEK 500 000: 10 % premium on the amount between SEK 200 000 and SEK 500 000. Hammer price above SEK 500 000: 5 % premium on the amount above SEK 500 000.

Bidding example:

You have placed a winning bid of SEK 750 000 on an item.

Premium:

SEK 200 000 x 20 % = SEK 40 000

SEK 300 000 x 10 % = SEK 30 000

SEK 250 000 x 5 % = SEK 12 500

Total buyer's premium = SEK 82 500

Hammer fee: SEK 50

Total amount: SEK 832 550

Droit de suite

Under Swedish law Droit de suite, or Artists' Resale Right means that an artist has the right to receive a part of the resale price of their work. The premium is 5% and is paid by the buyer on the condition that the price exceeds SEK 2 415. Items that are covered by Droit de suite is marked with the letter (d) at the end of the item descriptions.
