Welcome to Kaplans Important Jewellery!

This autumn we have the great pleasure to present a unique selection of interesting jewellery and rare silver items, and there are as much as 236 lots to be amazed by.

We are starting off this auction with a beautiful oval-cut orange topaz brooch, Lot 15. Gold and silver, antique- and rose cut diamonds, a pin in 14K gold – an absolute delight for the eye.

We also would like to highlight Lot 117, one of this auction's most stunning diamond rings with a gorgeous older brilliant cut diamond approx 6,40 ct, and Lot 26, an elegant pearl necklace. Oriental- and seed pearls, clasp in 18K white gold with old brilliant cut diamonds.

For those interested in modern and contemporary design we are proud to offer a wide selection of jewellery from Scandinavian design by Wiwen Nilsson, Lapponia and Ole Lynggaard, as well as from iconic brands such as Bvlgari, Cartier, Tiffany & Co., Van Cleef & Arpels.

For example, we have Lot 9 and 8, Bvlgari 18K gold earrings and ring with carved coral and amethysts, and Lot 231, a delightful Alhambra Vintage bracelet with 18K white gold and mother-of-pearl by Van Cleef & Arpels.

Our silver section is among other represented by Lot 27, a pair of candlesticks from Johan Petter Grönwall 1832, as well as silverware cutlery consisting of coffee spoons, dessert knives- and forks from Georg Jensen, Lot 168 and 167.

It is with great pride that we at Kaplans Jewellery Department present a great variety of this autumn's Important Jewellery and we hope you will find the selection as appealing and inspiring as we do.

Last but not least, we wish you all a warm welcome to an exciting auction here at Kaplans Saturday 28 November.

Kaplans through,

Buyer's Guide

All items at the auction are sold as viewed. The buyer is therefore advised to carefully examine the condition of the lots before the auction. If Kaplans has made a serious error of judgment, stated any incorrect information, or a so-called hidden defect exists, this may constitute a basis for cancelling the purchase. Complaints must be made within 10 days after the auction.

Our hammer auctions are held at our premises at Biblioteksgatan 5 in Stockholm. You can bid online or bid in our auction room during these auctions. You may also submit absentee bids.

Absentee bids

You may submit absentee bids for any item via Customer Services or our website until the time an auction starts. You indicate your maximum bid, which is the maximum amount you are willing to pay for a given lot. Customer Service then automatically bid on your behalf for this amount.

Bid online

You can bid online during the auction. Simply log in with your customer number or registered email and password. You submit your bid by clicking on the "Place bid" button. Your bid is made immediately and in accordance with our bidding intervals. All bids made at our auctions are binding. Kaplans Auktioner cannot guarantee that all bids are received at auction.

Bidding in our auction hall

To bid in our auction hall during a hammer auction, you need an auction paddle that you obtain from Customer Services either prior to or during an auction. Your bid is binding until another bidder makes a higher bid. The buyer is the bidder who makes the last and highest bid when the auction hammer falls.

If two bidders make a bid of the same value, it is the auctioneer who determines which bid applies. The auctioneer also determines whether bidding should resume due to uncertainty surrounding the last bid.

Estimate prices are also quoted in Euro, where the exchange rate € 1 = SEK 10.00 is used in this catalogue. Amounts are rounded off up or down to the nearest ten. However, the final purchase price is set in Swedish kronor using the official exchange rate upon the day when the payment is made. All purchased lots shall be paid in Swedish kronor.

After the auction

Purchased lots must be picked up and paid for within 5 business days from the auction date. Kaplans accepts payment by credit card. Payment by credit card may be made online or at Customer Services desk. Payments by cash can not exceed SEK 50 000 due to general policy.
